

JUNIOR ART DIRECTOR/DESIGNER (F/M)

As an ambitious Art Director/Designer, you value well thought-out concepts and enjoy designing traditional media just as much as the digital.

It's about:

- + Conception, design and implementation of communication concepts, brand presence and campaigns – online and offline – all the way to the final artwork.
- + Support and organization of all creative production operations (e.g. photo and film shootings) and processes (e.g. print template, printing).
- + Hub between creation and production, as well as to our external service providers.
- + Making and conducting of presentations.

You bring along:

- + Successfully completed degree in communication design or comparable qualifications.
- + At least 2 years of professional experience or traineeship in advertising or in a design studio.
- + Very good knowledge of common software (print/digital) and interest in digital topics.
- + Fascination and passion for high-quality consumer goods, interior and design, as well as fashion.
- + Inventiveness, team spirit, structured work and analytical thinking.

We offer:

- + Great projects and intriguing tasks.
- + Fair working hours and conditions.
- + A beautiful loft agency with its own rooftop terrace.
- + Coffee variations, water, fruit baskets and very friendly colleagues.
