

GRAPHIC DESIGN INTERN (F/M),

Since 2000, we serve a large variety of customers holistically and strategically with regard to their brand and their communication measures. As an intern, you will be part of our creative team for at least 3 to 6 months.

It's about:

- + Conception, design and implementation of communication concepts, brand presence and campaigns – online and offline.
- + Creative support in the designing of projects.
- + Taking on own projects.

You bring along:

- + At least 4 semesters of experience in graphic design, communication design, media management or comparable qualifications.
- + Knowledge of common graphic design software.
- + Conceptual and creative thinking.
- + Passion for graphic and design.
- + Team spirit.

We offer:

- + Great projects and intriguing tasks.
- + Fair working hours and conditions.
- + A beautiful loft agency with its own green rooftop garden.
- + Coffee, water and fruit for free and very friendly colleagues.

Please send your compelling application exclusively via email to mai@maicomcommunications.de
